Subject: RE: Tyco Stanton Street, Marinette – Groundwater Sampling Work Plan

Jeff,

The workplan for investigation of groundwater looks good, as does the August 1, 2018 workplan to investigate soil. This email serves as your notice to proceed.

If you have any questions, please let me know.

Thanks,
Dave

Subject: Tyco Stanton Street, Marinette – Groundwater Sampling Work Plan

Roxanne and Dave,

Attached is a work plan for additional groundwater sampling at the Tyco Stanton Street facility in Marinette. The version previously sent did not have the figures attached so this should be the complete version. Please let me know if you have questions or comments.
